

Greetings from Bob Graziano! The **SOBOBA Trail Ride** is a yearly event that dates back to the grass roots of modern dirt bikes. Many motorcycle greats have participated in the *Trail Ride's* challenge. It began in the early 70's when Chief Benny Helm started the first *Soboba Grand Prix*. These enduro events were among the largest in the country and soon outgrew the facilities. Then in the early 80's Bob Graziano, cousin (through marriage) of Chief Helm and a resident of the reservation, teamed with off-road legend **Malcolm Smith** to gain tribal council approval to launch the **SOBOBA Trail Ride**. The ride became a special, invitational-only event and no spectators are allowed. Now, with a history of nearly forty years of tribal council approval, AMA event sanction plus the promise of unpredictable Southern California weather, **Malcolm and Alexander Smith** kick off the ride at 8:00 AM on ride-day. This special event takes place entirely on the Soboba Indian Reservation (Private Property) with the approval of the tribal council. This is an "Invitation Only" ride with a limited number of spots available. **WE ARE ACCEPTING EARLY APPLICATIONS AT THIS TIME**. Riders from last year's event will have first pick, we will then add riders and prior year riders to go on our future-riders list. You must mail in your entry with payment as-soon-as-possible. **RETURNING** is our *SOBOBA Rides Vintage Motorcycle Classic*. The *Classic* is a show for motorcycles older than 25-years with trophies and gifts for the best MX, Enduro and Street bikes. Not only can you display your prized collectable, but off-road capable vintage bikes can ride a specially prepared portion of the *Trail Ride* course. Don't delay, call or apply early to get the best shot at getting into the 2017 ride. Remember that this is a true off-road ride. It is open to all sizes and types of motorcycles. And it is tough. There are two single track loops of about thirty miles each. And you can take as much time as you need or want to finish each loop. The trails used the last five years are still in use with even more new trails so expect great riding fun, challenges and spectacular scenery.
